## BANKING DETAILS FOR DONORS

We greatly appreciate your concern for and commitment to the Lord's work, and are confident that you will be blessed by Him for it. To help you and ensure prompt processing of your gifts, we describe the different channels, and how to use the one most convenient for you.

The processing of all donations involves a receipt being sent from our South Africa office and (for support and projects) a report to our members to personally acknowledge. Donations not specified for a member's support or a project are used for General Fund, and so shared amongst all members. Receipts are usually sent monthly by email. If you do not receive one in a reasonable amount of time, please contact us by email or telephone to follow-up and resolve it.

### **INTERNET BANKING**

This is the preferred channel, being convenient and if not free, carries the lowest bank charge. When sending a first time or changed donation this way, please do email us explaining the purpose and confirming your address, so that we can send you a receipt. For the transaction description, please enter it as **your initials & surname / missionary or project name** followed by **gift purpose** is necessary. (e.g. **IBGiver/Paul Support**) Once the first donation has been received, our office will send an acknowledgement advising a reference number. On future occasions, it may be easier to use this reference number instead of your initials and surname.

### **DIRECT DEPOSITS**

You may deposit directly into our bank account from any Standard Bank branch or Auto-Plus ATM.

Our bank details are:

#### **STANDARD BANK – ROSEBANK BRANCH**

Branch Number: **00-4305** (not needed for EFTs) Account Number: **200873954**

Account Holder: **OMF INTERNATIONAL SA**

As described for Internet Banking, **please clearly indicate your name as depositor together with the missionary's name you wish to support**, (e.g. **IBGiver/Paul Support**). The statement from the bank will then give us these details and you do not have to send details of your deposit. For *first time deposits*, please **do** send us your name, address and email details so we can process your receipts.

### **STOP ORDERS**

Sorry, we are not able to do debit orders. You could arrange a stop order. Bank and transaction description details are as given above. Again, the first time, please confirm (preferably by email) your intention giving your name, address and email details for us to process your receipts.

### **CHEQUES**

Cheques made payable to OMF International may be sent to the above post box address. Please indicate on the back of the cheque or on an enclosed note, if you wish your donation to go to a specific missionary's support, or to a special project. Please **include your full name and postal or email address** so that we may send your receipt,

### **CASH**

Cash deposits may also be made into our bank account, should no other channel be convenient. Banks do levy a Cash Deposit fee each time, so other methods are preferred, Please give your details and intention for the gift in the transaction as described above.
